DID YOU KNOW?

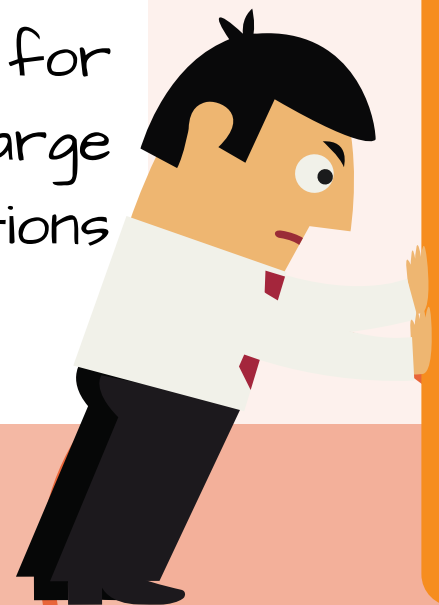

- KPSC conducts exams for State Group A Services in Revenue, Police, Commercial Tax & Other departments in Karnataka
- 50% of IAS/IPS/IFS in Karnataka are appointed from amongst state civil/police/forest services
- KAS officers get promoted as IAS officers after 13-15 years and Karnataka state police officers get promoted as IPS officers by 10 years
- More than 75% of aspirants who clear KPSC exams are originally UPSC Aspirants

CHALLENGES OF KAS EXAM

- Exams are not conducted regularly and there is lot of delay in releasing results
- Issue of corruption and manipulation - bad reputation
- Shortage of study resources, guidance (and Misguidance!) and lack of Bridge course for UPSC aspirants
- False rumours propagated in social media
- **LOW AWARENESS ABOUT THE QUALITY OF THE SERVICE**
- Less number of seats for General category and large number of horizontal reservations

**SO WHY EVEN GO
THROUGH WITH IT ??????**

REMEMBER!!!!

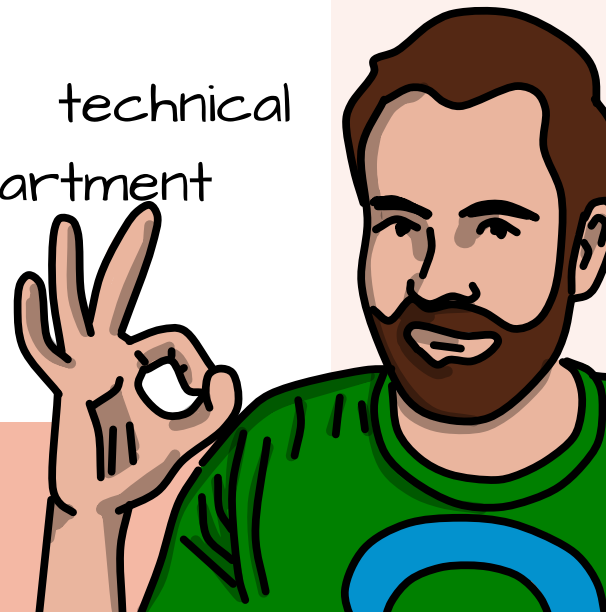

**DONT THROW THE BABY
OUT WITH BATHWATER**

WHY KAS IS A GOOD ALTERNATIVE?

- You will spend the rest of your life in this beautiful state of Karnataka
- Become IAS/IPS/IFS officer within 10-15 years
- Will become part of GENERAL ADMINISTRATION, hence wide range of opportunity to serve the society - in the field of welfare administration, Disaster management, Development, land reforms, elections etc
- Can become part of state secretariat and be involved in state policy formulation
- Can go on deputation to technical departments - like Health department
- Opportunity to study abroad

WHAT IS THE JOB PROFILE OF KAS OFFICER?

- KAS is the highest post the state offers in direct recruitment.
- KAS officers joins the government services as Assistant commissioner.
- Will be incharge of revenue and general administration at the subdivision (next in the hierarchy to District magistrate)
- They are also the executive magistrate-hence responsible for L&O
- Also conduct appellate court in matters of land disputes
- Can act as land acquisition officer, Returning officer in election, head urban bodies, welfare officer, Development officers, Disaster management officer and much more.

KAS EXAM IN COMPARISON WITH UPSC EXAM

- Prelims syllabus is almost the same except for the addition of Karnataka History, Geography and state current affairs, schemes & Programmes
- Mains syllabus is quite vast with addition of new topics like public administration, management, agriculture, rural development, Post Karnataka History, Karnataka economy, statistics etc
- There shall be 2 Essays - One on state and the other on national/international issues
- There is no optional paper and hence only 5 GS- papers in mains

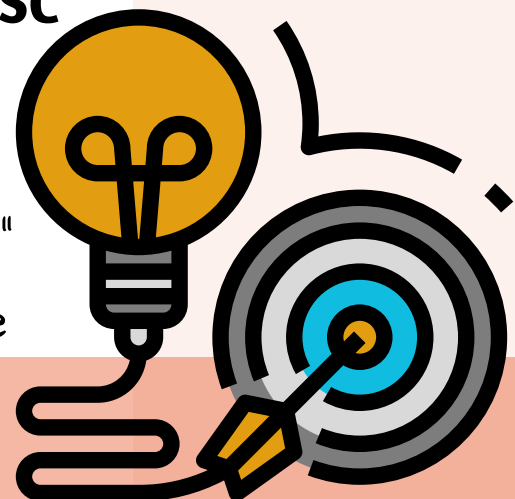

SO WHAT SHOULD MY APPROACH BE?

- Don't prepare exclusively for KAS and waste your time and money
- Prepare the additional topics of KPSC when ever you have the time. Earlier the better
- Do not wait for the notification. Be ready with both KAS Prelims and Mains before the notification.
- Answer expectations is different for KAS exam (Compared to UPSC, questions are more direct) hence do a separate answer writing practice for KAS Mains
- **Outsource your KAS preparation so that you can optimise your UPSC preparation.**

Remember KAS is an "EXCELLENT" OPPORTUNITY to Serve the people

- Enrich Karnataka civil services by quality enhancement at the level of entrance
- Provide an alternative to UPSC aspirants and prevent wastage of years of their effort
- Provide quality, affordable resources for KAS exam

THE KADAMBAS

We have Named this programme after the earliest royal dynasty of Karnataka. to challenge the onslaught of external forces. It laid the foundation for the growth of Mega Kannada empires that provided years of good governance to our people

Kadambas were the first indigenous dynasty using Kannada at an administrative level.

Founded by Mayurasharma

The use of the language of the soil was the starting point of an era initiating regional development of Karnataka as the geopolitical entity.
